Dear Mr Baci,

Thank you for your letter of 26 October 2017.

I would like to congratulate you on taking over the Presidency of the International Association of Economic and Social Councils and Similar Institutions (AICESIS).

The working topic you have proposed, i.e. "The Impact of the Digital Revolution on the Future of Mankind", has been at the centre of many discussions in the European Parliament, especially in its Employment and Social Affairs Committee. This very important subject will most certainly be at the agenda of our institution in the future as well.

I wish you a lot of success in your term.

Yours sincerely,

Antonio Tajani
